¹ The Singapore Prospectus is available for collection from First Sentier Investors (Singapore), 79 Robinson Road, #17-01, Singapore 068897 or approved distributors during normal business hours on any Singapore business day or accessible at <u>www.firstsentierinvestors.com</u>.

² If you are submitting your subscription application or redemption request through an approved distributor in Singapore, you may only do so during the opening hours for that approved distributor on a Singapore Business Day.

 WHO ARE YOU INVESTING WITH? The Fund is a sub-fund of the Irish constituted umbrella First Sentier Investors Global Umbrella Fund plc (the "Company"). The Company is managed by First Sentier Investors (Ireland) Limited. The Manager may appoint one or more approved investment managers and sub-investment managers to manage all or a portion of the assets of the Fund. The Depositary of the Fund is HSBC Continental Europe. 	Refer to the "Management and administration", "Depositary" and "Other Material Information" sections (Paras 2, 3 and 21) of the Singapore Prospectus for further information on the role and responsibilities of these entities and what happens if they become insolvent.
WHAT ARE THE KEY RISKS OF THIS INVESTMENT?	Refer to the "Risks"
The value of the Fund and its dividends or coupons (if any) may rise or fall. These risk factors may cause you to lose some or all of your investment and your principal may be at risk:	section (Para 9) of the Singapore Prospectus for further information on risks of the product.
Market and Credit Risks	
 You are exposed to market risk – The Fund's investment is subject to general market risks, and their values may fluctuate due to various factors, such as changes in investor sentiment, political and economic conditions and issuer-specific factors. You are exposed to emerging market risk – Investing in securities in emerging markets may involve a greater risk than investing in more developed markets. You are exposed to China market risk – The value of the Fund's assets may be affected by uncertainties such as political developments, changes in government policies, taxation, foreign exchange controls, currency repatriation restrictions, restrictions on foreign investment in China and other adverse liquidity, legal or regulatory events affecting the Chinese market. You are exposed to currency risk – Investments of the Fund may be affected unfavourably by fluctuations in the exchange rates and by changes in exchange rate controls. The Fund is not denominated in Singapore dollars and you may be exposed to an additional exchange rate risk if your reference currency is Singapore dollars. 	
Liquidity Risks • The Fund is not listed in Singapore and you can redeem your shares	
 The Fund is not listed in Singapore and you can redeelin your shares only on Dealing Days as described in the Singapore Prospectus. You may not be able to redeem on a Dealing Day if a redemption limit is imposed or if redemption is suspended – There may be a 10 per cent limit on the number of shares that can be redeemed on any Dealing Day and the directors of the Company may temporarily suspend redemption during certain circumstances. You are exposed to the liquidity risk of the Fund's investments – The Fund may not be able to sell assets in a timely manner and/or at a reasonable price. If this is the case, you may not be able to get your money back when you want it.
